6. In a changing world, Scot Cannon’s program (**Open The Door**) is more necessary than most of us would like to acknowledge. His program was not only entertaining, but also extremely valuable in helping children learn to build positive relationships. Two thumbs up!

7. Mr. Cannon was wonderful. With so many of our students experiencing social disabilities the content was appropriate and the fact that Scot told the students his own personal story of peer pressures and alienation, I think the students could really relate. It helps them to receive such a positive message as Scot’s in such an entertaining way.

Maryann Archer, South Campus Community School, Smithfield, NC

8. Scot Cannon is a fabulous communicator with a terrific and important message. Students and teachers alike thoroughly enjoyed “**Open The Door**”. Whether addressing his audience directly, conversing with voices in his head (on tape) or singing and playing the guitar, the audience was always engaged. I was amazed at his ability to work with a group of children for a half an hour and make it seem like they had rehearsed for a week. Bravo!

Andrea Spencer, Hawley School, Newtown, CT

9. Scot Cannon has the unique ability to actively engage young children while simultaneously teaching them life’s most difficult lessons. He skillfully teaches children to respect individual differences and physical limitations through his “**We Care**” program. The lesson he teaches is presented through the art of pantomime then discussed openly with the students after he removes his makeup in front of the audience. His finely tuned lesson is engaging and fun. Teachers, parents, and children laughed and smiled throughout the show. Scot Cannon is wonderful. We hope he continues to entertain and educate children and adults for many years to come, so that we can invite him back again to Pepperell.

15. Scot was the most entertaining performer we have ever had. I have never seen the children so enthralled with a show. When Scot tells the audience about his own battle with stuttering – and what he had to endure – and how far he has come in spite of it. He has them in his grasp and they never leave.

Carla Kendall, Ryerson School, Wayne, NJ

**We Care**

16. All students in grades 1 through 6 were treated to his delightful, energizing, and uplifting program. Above all, he reinforced, in his own unique way, the values we espouse. Scot Cannon tailors his program to be age appropriate. In so doing, his message of love for all of humanity is received by those who are privileged to be part of his audience. It is without reservation that we recommend, but most importantly thank, Scot Cannon for the contribution of *self* he made while appearing at Sacred Heart Elementary School.

Sister Jeanne Morris, Principal, Sacred Heart Elementary School, Kingston, MA
